

ERAIFT organises the 16th meeting of the Board of Directors Monday 13th November 2023

On Monday 13 November 2023, ERAIFT organised, the 16th meeting of its Board of Directors (BD) to rule mainly on the implementation of the recommendations of the 15th BD, the implementation of the AGRINATURA/ERAIFT project financed by the European Union, the recommendations of the second scientific retreat of the ERAIFT professors, the academic activities progress and the school's financial situation.

Following the exchanges and discussions on the various items on the agenda, the administrators expressed their satisfaction with the progress of the AGRINATURA/ERAIFT project. A number of recommendations were also made, including the diversification of funding sources through the mobilisation of own funds, the strengthening of learner recruitment criteria and the ongoing monitoring of the professional careers of learners trained by ERAIFT.

ERAIFT thanks the administrators for their involvement in the expansion of the school. It expresses its gratitude to all its technical and financial partners for their support and renewed confidence.
