

# International Cooperation for Advanced Science Training under the Long –Term Partnership between Africa and Europe

## CTROP-ULisboa

Management Team: Ana I. Ribeiro-Barros, Andrea Valente, Jorge Malheiros, Cristina Máguas, Cecília M. P. Rodrigues

An interdisciplinary unit targeting multilateral cooperation in Science, Technology and Higher Education aiming at:

- contributing to the reflection on the global relevance of the tropics
- maximizing cultural and scientific heritage available at ULisboa
- boosting excellence in science and education
- building bridges between global South and North

## Networking

Erasmus+

## Emblematic Partnerships

### CAPACITY BUILDING OF BIODIVERSITY PRACTITIONERS, SCIENTISTS AND POLICYMAKERS FOR SUSTAINABLE MANAGEMENT OF PROTECTED AREAS AND FOREST ECOSYSTEMS IN AFRICA

Management team: Baudouin Michel (ERAIF Director/Rector of IFA-YANGAMBI), Jean-Pierre MATE, ERAIFT's Academic and Research Secretary (ERAIFT/University of Kinshasa- DRC), Pyrus ESSOUMAN, Postdoc AGRINATURA (ERAIFT/University of Dschang-Cameroon), Papy NSEVOLO, Postdoc AGRINATURA (ERAIFT/National Pedagogical University (UPN) -DRC).

Aims to support environmental policies and investments for the sustainable, participatory and equitable management of protected areas and forest ecosystems in Africa, as well as to contribute to capacity building of biodiversity practitioners, scientists and policy makers in the production and use of information needed for the said sustainable management.

- 1 Theoretical and practical training
- 2 Creation of training and extension tools and materials
- 3 Strengthening the training infrastructures
- 4 Support for policymakers
- 5 Capitalisation and communication

120 graduates  
14 PhD and post-doctorates  
450 participants in the training courses  
8 information and awareness sessions

### STRENGTHENING CAPACITY FOR ICT USAGE AND POLICY REFORMS FOR RELEVANT AND QUALITY MASTERS RESEARCH PROCESS MANAGEMENT IN UGANDA'S HEI'S

Management team: D. Katamba (Makerere University Business School), B. Nambuusi (National Council for Higher Education), J.M. Kiberu ((Makerere University), A. Kankaka, Kyazze (Kankaka & Co. Advocates), C. Kazooba (Mbarara University of Science and Technology), G.F. Lamuno (Uganda Chapter for Corporate Social Responsibility Initiatives Ltd), C. Wickert (VU Amsterdam), A. Ribeiro (ULisboa).

Aims to strengthen Uganda's Higher Education Institutions (HEIs) capacity to use ICT in Masters' research journey quality management processes and devise Policy reforms for relevant high-quality research outputs.

- 1 Revised national master research policy framework
- 2 NCHE approved E-Supervision Platform
- 3 Mobile App. connecting the participating universities

#### Short term results

Timely graduation of students  
Reduced supervision inconsistencies  
Relevant research outputs  
Reliable student research assessment processes

#### Long term results

Enhanced research capacity  
Increased stock of relevant & high-quality research  
Employable graduates
