

Brilliant participation of ERAIFT in the first edition of the Tropical Summit organized by the University of Lisbon (ULISBOA) and the Forum for Agricultural Research in Africa (FARA), 04-08 November Lisbon Portugal

A strong delegation of the ERAIFT, supported by its Director Pr. Baudouin MICHEL, stayed from 02 to 09 November 2024 in Lisbon, Portugal, to participate in the first edition of the Tropical Summit organized by the University of Lisbon (ULISBOA) and the Forum for Agricultural Research in Africa (FARA), from 04 to 08 November 2024.

Delegation of ERAIFT including the Director, 04 PhD students and 01 postdoc..

This tropical summit which aimed to: (1) promote knowledge transfer; (2) stimulate multidisciplinary networking and stakeholders; (3) and contribute to co-creation and innovative projects, by capitalizing and densifying existing collaborative initiatives and platforms; was an opportunity for this ERAIFT team to exchange with other researchers from different backgrounds during parallel events and during their various presentations on “*Promotion of multilateral poles of excellence: case study of AGRINATURA/ERAIFT (DR. Congo)*” ; and the students and postdoc on:

Presentation by the Director of ERAIFT, Pr. Baudoin

Member of Panel "MOBILITY EXCHANGE IN RESEARCH AND HIGHER EDUCATION"

- *Urban sprawl and changes in landscape patterns: the case of Kisangani city and its periphery (DR Congo)*
- *Monitoring entomofauna associated with cabbage, *Brassica oleracea L.* in eastern DR Congo*
- *State of play of sacred forest in western region of Cameroon*
- *Density and spatial distribution of the main anthropogenic disturbances in the classified forest of the "Ouémé Supérieur" in North Benin*
- *Assessment of timber loss and its economic impact in logging in the dense rainforest of the Littoral Cameroon*

PhD students' oral presentations

This event was also the place to exchange face-to-face with the new Director of AGRINATURA, Dr Sylvain Perret and our Lisbon partners in this program, on certain topics, on the way to improving cooperation between our various institutions.

Meeting with the Director of AGRINATURA and the Tropical

ERAIFT congratulates and thanks once again the University of Lisbon for having been associated to this important international meeting, and also for the hospitality and arrangements made by

the Tropical College (CTROP) in order to facilitate the participation of its delegation. ERAIFT also thanks the Director of AGRINATURA, M. Sylvain PERRET, for his presence and contributions to the presentations of ERAIFT's team and expresses its gratitude to the European Union and AGRINATURA for their support.
